

Residential Dumbwaiter

STAIRLIFTS / WHEELCHAIR LIFTS / ELEVATORS / RAMPS / PATIENT LIFTS / BATHROOMS

EHLS®

Accessibility Solutions Since 1991

A dumbwaiter will make it safe and convenient to move heavy items from floor to floor in your home.

We offer Winding Drum & Rack/Pinion drive systems — both are designed for reliability.

RESIDENTIAL DUMBWAITER HIGHLIGHTS

Rack/Pinion Drive System:

- Car-mounted, battery operated rack and pinion drive system assures reliable operation
- Travels at 16-20 feet per minute for convenient wait times
- 200 lb. and 275 lb. capacity models in standard, optional and custom sizes to meet any need
- Capable of 2-4 stops
- No pulleys or cables for smooth quiet operation
- Steel car and car gates with durable powder coat finish
- No machine room required – saves money and space

Winding Drum System:

- Robust winding drum drive system designed for longevity and efficiency
- Travels at 30-50 feet per minute speed for fast use cycles
- 100 and 200 lb capacities for every need
- Capable of 2-6 stops –
 - ✓ Wood car available with Roll-Top Car Gate
- Many available car and landing door types - finishes and configurations to suit your needs and tastes

Residential Dumbwaiter Options:
